

Department of Prosthodontics

A CDE on Introduction to Basic Dental Implantology was organized for the budding dentists on 26/11/2021. In this programme, a firsthand feel of the procedure and the equipment for the placement of dental implants was given to the each and every student. This also included the entire prosthetic phase of Dental Implantology.

All the participants were extremely enthusiastic and participated whole heartedly. The course was very well planned and organized under the able leadership of HOD Dr. Salil Pawah, Professor Dr. Amit Gupta, Reader Dr. Chetan Pathak and other faculty members of the Department.
