

PRESS RELEASE  
BODY LANGUAGE & COMMUNICATION SKILLS

Department of Public Health Dentistry, Sudha Rustagi College of Dental Sciences & Research organized an interactive program on the topic, **BODY LANGUAGE & COMMUNICATION SKILLS**. The Guest speaker for the day was Dr Garima Gupta, a certified mental coach, psychologist and psychotherapist, practicing in Faridabad.

The speaker enlightened the gathering of Interns, post graduates & faculty, by sharing various tips regarding good communication and positive body language.

In the end, she was felicitated by the honorable Principal, Dr CM Marya and CEO Dr Vishal Juneja. The programme was well appreciated.

Different types of Body Language in Communication

- Facial Expressions

The human face is a complex system of muscles and nerves that can express a wide range of emotions. Facial expressions are a key part of non-verbal communication. They can be used to convey a wide range of emotions, including happiness, sadness, anger, and surprise. Facial expressions can also be used to convey a wide range of social information, such as status, dominance, and affiliation.
